About the University

(University Established by M.P. Legislature Act No.44/2011 and Duly recognized by UGC u/s 2 (f))

“The university is dedicated to perform in unique manner to achieve the academic excellence in creative way by using the innovative ideas to produce competent human resources & to act as center for Amicable Knowledge Solution”.

AKS University has been established in 2011 by AKS Charitable Trust which has successfully run Rajiv Gandhi Group of Institutions for 19 years. The AKS University is focused on emerging as a leading institute of knowledge, research & consultancy in a number of faculties, namely Pharmaceutical Science & Technology, Engineering & Technology, Computer Application & IT and Science, Agriculture Science & Technology, Life Sciences & Technology, Basic Science, Management Studies, Fine Arts and Design, Commerce and Financial Studies, Social Sciences & Humanities.

AKS University is geared towards developing skilled professionals who are spiritually conscious and responsible nation-builders. Various national/international linkages with academic institutions & corporates besides co-curricular & extracurricular cells like Institute-Industry Interface Cell, Entrepreneur Development Cell are an integral part of AKS University.

Department of Pharmaceutical Science & Technology

Department of Pharmaceutical Science & Technology (formerly known as Rajiv Gandhi Institute of Pharmacy) is a widely recognized Department in Vindhya region (north-east portion) of Madhya Pradesh established in 2006 by AKS Charitable Trust. The basic intent of the department is to impart quality education at Undergraduate & Diploma level. The department is conducting Pharmacy Council of India (PCI)-New Delhi approved course since 2006. The department offers B.Pharm & D.Pharm courses. The Department regularly invites learned academicians, industrialists and dignitaries to deliver seminar and lectures to create enthusiasm and zeal among student. The Department is well known for highest order of discipline. The Department has organized many National Seminars/Conferences/Workshops/ Entrepreneurship awareness camps sponsored by many national level funding agencies.

Scope of Conference

The objective of the National Conference is to bring together leading scientists, researchers, scholars and practitioners from academia and industry to present their recent advances &

findings to exchange their experiences and research results on all aspects of Natural Products and Drug Discovery. It will also provide a forum for in-depth assessment of the challenges involved in the dynamic and fast moving fields of research & development technique in Natural Products and Drug Discovery. The organizing committee feels honored to invite you to disseminate knowledge and facilitate the exchange of new ideas among the members of our profession.

Theme areas

- Natural Products Drug Discovery
- Traditional Medicines and formulations
- New Sources and Approaches to Natural Products
- Phytomedicine and Phytochemistry
- Natural Products/Organic Farming
- Taxonomy, Ecology & Biodiversity of medicinal plants
- Development of Marine Drugs and Natural Products
- Bioactive Natural Products
